Bill Title/Subject Matter:	Update on Medicaid Enhancement
Legislator(s) –Sponsor:	Nate Checketts, Utah Dept. of Health
Interested Parties:	
Code Reference:	
<p>Description: Update on waiver and implementation of Medicaid enhancement. H.B. 437 (2016) included adding psychotropic drugs to the preferred drug list—several are now added, and the tracking of cost savings has begun. The bill also included requests for waivers to expand coverage to some populations. The expansion giving 3,000 - 4,000 more parents Medicaid coverage was approved. Not approved was the targeted expansion for adults without dependent children who are chronically homeless, those involved in the criminal justice system, and those not involved in the criminal justice system but have mental health or substance abuse issues. The Dept. is now in discussions with the Trump administration regarding a revised waiver. The draft waiver consists of several new elements outlined in the draft document below. A public hearing on the proposed changes is scheduled for July 10th. Feedback on the waiver is also being taken via the Dept. Website.</p> <p>Meeting Materials:</p> <ul style="list-style-type: none"> • Proposed Revisions to the 2016 1115 Waiver Amendment Request (Draft) <p>*This document is not on the legislative website. Bill Title/Subject Matter:	Budget Deep-Dive into Opioid Outreach Effort
Legislator(s) –Sponsor:	Staff

Interested Parties:	Anna Fondario, Dept. of Health
Code Reference:	
<p>Description: Issue Brief Summary—The State of Utah has experienced between 236 to 326 prescription opioid deaths annually in the last ten years. In Utah opioid outreach efforts are taking place in two categories: (1) supply and (2) users. To address the user side of opioids, the Department of Health reports that the state: “Implements public awareness efforts focused on opioid risk, overdose signs, naloxone, and safe use, storage, and disposal, hard reduction services such as syringe exchange, disease prevention and naloxone, data collection to identify risk and protective factors to inform prevention efforts, and development and dissemination of educational materials.” To address the supply side of opioids, the Department of Health reports that state: “Promotes permanent drop box locations, monitors data related to drug diversion, promotes use of the controlled substance database and prescribing guidelines, and is developing clinical decision-making tools within the controlled substance database.” Staff made two recommendations to the committee—details of both are in the brief. The second recommendation was adopted by the committee’s (action below). Ms. Fondario reported on the Department of Health’s activities regarding opioid outreach. Presentations consisted of the following:</p> <ul style="list-style-type: none"> • Overview *See Issue Brief below for information staff presented • Review of What We Buy, How We Pay For It • Recommended Actions for 2018 General Session • Response from the Department of Health • Committee Discussion <p>Meeting Materials:</p> <ul style="list-style-type: none"> • Issue Brief - 2017 Interim - Budget Deep-Dive into Opioid Outreach Efforts <p>Audio: http://utahlegislature.granicus.com/MediaPlayer.php?view_id=2&clip_id=21674&meta_id=727518</p> <ul style="list-style-type: none"> • Budget Deep-Dive into Opioid Outreach Efforts • Issue Brief - 2017 Interim - Budget Deep-Dive into Opioid Outreach Efforts <p><i>[Action: Rep. BUSINESS AND LABOR INTERIM COMMITTEE	
Bill Title/Subject Matter:	Bail Bond Modifications
Legislator(s) –Sponsor:	Rep. Redd
Interested Parties:	
Code Reference:	

Description: The Committee received a presentation of the Behavioral Health Services Vivitrol Program (Salt Lake County). Vivitrol is a long lasting injectable used to treat alcohol and drug dependency (used in coordination with therapy). So far, the program is producing good outcomes—clients are recovering. During the last legislative session, Rep. Redd introduced [H.B. 260](#), which was presented to this Committee as a starting point of legislation he will propose next session. The revised bill will no longer allow Vivitrol therapy as an

alternative to bail—instead it will be some provision of bail. He stated that the intent of his bill would be to give an individual the ability to choose Vivitrol treatment before leaving jail and/or in the community while awaiting trial.
